Welcome

Join your customers and colleagues for SITE Texas' premier educational event, the 9th Annual Technology Summit at the All Adult [Melia Punta Cana Beach Resort](#) in the Dominican Republic! We are happy to share with you that in past years our buyer to supplier ratio has been 1.5 buyers for every 1 supplier. Attending buyers are from all over the U.S.

Your participation in this event yields valuable business networking time with key customers who make decisions on selecting destinations, DMCs, hotels, off site venues and activities for their group travel programs. The educational mission of the SITE Texas Chapter is to enhance the awareness and effectiveness of motivational experiences via incentive travel. While our focus is on Incentive programs nearly 100% of our buyers also plan their company's meetings, conferences, trade shows and other events. All sponsors gain additional exposure through contributions to a Silent Auction.

Invited Hosted Buyers attending this event will receive subsidized air up to **\$700**, round trip transportation from Punta Cana International Airport (PUJ), and upgraded accommodations to The Level at Melia Punta Cana Beach Resort. We are happy to help you manage the Hosted Buyer invitation and RSVP process. If you prefer to manage your Hosted Buyer invitation(s), however are unable to confirm a Hosted Buyer by April 15, 2022, we can assign your Hosted Buyer registration slots for you. We are dedicated to elevating this event as a quality opportunity for your marketing efforts, and welcome your invited Hosted Buyer nominations at any time. The Technology Summit Committee will queue the Hosted Buyer invitations, and make final decisions on invitations extended.

Join us for the SITE Texas 9th Annual Technology Summit in 2022 at Melia Punta Cana Beach, and become an advocate for our industry by funding valuable SITE Foundation research and educational programs with your sponsorship of this event.

Sincerely,
Pat McCain, CMP, CITP
